FAQ's regarding Mutual Aid Grants from Stimpunks Foundation:

We are limited to United States residents only.

Under Internal Revenue Code, as a 501(c)(3) we can't fund political campaign-related activities.

Unfortunately, we cannot provide grants to minors without guardian approval.
We cannot provide tuition costs of any kind.

We cannot provide any urgent funds. We plan to continue awarding our Mutual Aid Grants monthly to active applicants.

Legal and Tax Stuff ~ In most cases, grants are not taxed as part of your income. We do not have to issue form 1099 for grants if you provide some basic documentation on how you spent the grant. If you do not document how you spent the grant, we will have to issue form 1099. Once you get a grant from us, we will follow up with you over time to see how you are doing and gather needed documentation on how the grant was spent.
